THE FAITH AT WORK WEEK-END IS HERE!

They're coming from Hamilton, Belleville, Beeton, Toronto, London, Cooksville and many other points. Who are? Keen Christian men and women from many professions in life. They are converging on Haliburton this weekend to take part in a Faith At Work Weekend. This endeavour begins this evening (Thursday, April 20th) with a Rotary - Faith At Work Dinner at the Haliburton Highlands Secondary School at 6:15 p.m. The committee have planned for a minimum of 200 to be present to hear the conference leader, the Rev. Bruce Seebach and some of the team members.

Friday morning the first of a series of three Coffee Parties for adults will be held in various homes throughout the county. Team members will meet up to twelve or so area residents and

share with them their Christian faith and invite discussion. Friday evening at 8 or 9 p.m., depending on the particular home, the second round of Coffee Parties will take place. Here it is hoped that the men will be included. Then Saturday morning the final series of Parties will be held. If you haven't been invited to a party, then phone either Mrs. Ron Curry or Mrs. Vance English in Haliburton and they'll look after you.

Saturday night at 8 p.m. at the High School adults are invited to participate in one of six Workshops being held in different classrooms. You can study and discuss everything from 'The Christian Style of Life', 'Life Together As A Family' to a searching look at 'Today's Youth' (for adults only).

The young people haven't been

forgotten. Last Monday at the High School Assembly, the Rev. Bob Rumball, former Toronto Argonaut and Ottawa Roughrider football star, and now minister of the Evangelical Church of the Deaf in Toronto, gave a humorous, entertaining and thought-provoking address to the young people. Mr. Rumball's visit was arranged by the F.A.W. committee. The high-schoolers are invited to the opening Dinner this evening. Four Coke Parties have been arranged for Friday evening at 8 p.m. and Saturday morning a full program has been set up at the Haliburton United Church starting at 8:30 a.m. The Rev. Tom Gracie, formerly of Minden, will address the breakfast gathering. Then after a break, they'll move into one of four Workshops which cover such topics as 'The New Morality',

'Youth and Social Life', 'What Has the Church to Offer Young People?' and a study on 'Today's Adults' (for young people only).

Saturday evening at 8 p.m. at the High School Auditorium a Hootenanny is planned. Mr. Gracie will be the M.C. with instrumentalists and singers from Toronto and our own area taking part. Dr. Jim Douglas, a chiropractor, will speak to the Hootenanny, and coke and doughnuts will be served.

A large group of men is anticipated to attend the 8 a.m. service of Holy Communion at St. George's, sponsored by the Brotherhood of Anglican Churchmen. Breakfast will be served at the Royal Canadian Legion Hall which has been made available to accommodate the large group. Faith At Work team members

will be speaking.

For this Sunday only all services in the Anglican Parish of Haliburton and the United Church Charge of Haliburton will be held at 11 a.m. with Faith At Work team members taking part. Following the services a Luncheon is being served at the High School Cafeteria at 12:30 p.m. Then at 1:30 p.m. the weekend concludes with a Wind-up Session in the High School auditorium where we will learn some of the things that have taken place during the conference.

A great deal of time, planning, prayer and money have been poured into this weekend. A cordial invitation is extended to the residents in our area to participate in as many of these events as possible. The Faith At Work Weekend has arrived. We hope to see YOU!

Final Midget Game At Uxbridge Friday Night

The Haliburton Midgets dropped a 5-1 decision at the hands of Belmont at the Belmont Arena last Saturday night. The win for Belmont tied the best of three series at one game each, with the showdown for the All-Ontario Midget 'D' Championship on the line at the Uxbridge Arena this Friday night, April 21 with game time 8:30 p.m.

Jim Allan scored the lone goal for Haliburton in Saturday night's losing cause. The long trip to Belmont seemed to hamper the Haliburton attack, and once again the standout goaltending of Louie Dummitt kept the score from being higher.

Neither team scored in the

first period, but Belmont had a big second stanza wrapping home four goals while Haliburton were kept scoreless. Both clubs scored a goal apiece in the final period.

A large crowd of local fans are expected to be at the Uxbridge Arena this Friday night for the third and deciding game. The players will be going by car while a bus will transport the fans. The bus will leave the Arena at Haliburton at 6:15 p.m. Anyone wishing to go by bus please contact either Len Salvatori or Paul Wilson.

Friday night could be Haliburton's night and a first hockey championship.

Dick Schell Injured In Hockey Game

Seems somewhat of a rumpus blew up at the conclusion of the last Tri-County Senior Hockey League playoff game played between the Lindsay Midtown Tigers and the Haliburton Merchants at Sunderland last Wednesday night.

To bring you up to date in this final four-out-of-seven series the Haliburton Merchants are leading two games to one with one game tied.

In this fourth game played at the Sunderland Arena it ended in a 2-2 tie. The Merchants who would like to see the series cleaned up expected to play overtime to declare a winner. Lindsay didn't want to play overtime, and a hot argument followed in which one of the Lindsay players, in a rage of temper, hit Haliburton netminder Dick Schell over the head with a hockey stick. Dick had to be rushed to hospital and at last report his condition is only fair.

These outbursts of temper where a player is seriously injured are uncalled for in this league or any other league.

Officials of the Haliburton Merchants told the Echo this week that they are so upset over the injury to Dick Schell that they will not finish the playoff series.

Haliburton Ladies Split Jackpot

A crowd of 310 people crammed into every corner of the Legion Hall at Haliburton last night in hopes of winning the Jackpot.

When it was all over two Haliburton ladies, namely Mrs. Evelyn Perrin and Mrs. Olive Lymburner, walked off with the \$500.00 Jackpot. They each won \$250.00.

Next Wednesday night a new series will get underway with a Jackpot of \$250.00, and they will start it off by calling 50 numbers.

Charles Plourde Receives Grant

Charles Plourde, son of Mr. and Mrs. Ken Plourde of West Guilford, has been given a Canada Council Grant to enable him to further his studies in Economics at the University of Minnesota.

Charles received his education at the old school in West Guilford and in the three-room High School in Haliburton under the able ministrations of Mr. Bud Thayer, assisted by Miss Williams and Mrs. Hall. He later went on to Queen's University where he received his Bachelor's and Master's Degrees in Mathematics.

Fur Sales Total \$34,700.

The Haliburton Trappers' Association held their final Raw Fur Sale for this season on Wednesday, April 12, 1967 at the Orange Hall basement in Haliburton. Trappers were on hand at 8 a.m. so the sale started early.

Three buyers attending purchased all fur offered, and total sales amounted to \$2,500.00 which was considered a normal sale for this time of year.

In the evening the trappers and their wives attended the social evening sponsored by the Association each year. Euchre and crokinole were played, with prizes for the ladies and gents totalling \$50.00.

Mr. Stan Cooper was chairman for the evening and after a few remarks called on our Warden and Reeve of the Municipality of Dysart, Mr. Roy Brohm, for a few remarks. Mr. Brohm welcomed the large crowd to the social evening the trappers had planned. He also gave a short talk on the fur as a whole, and stressed the fact that poison should never be used for wolves as it destroys too many other animals and birds. Roy is a member of the Association and tried his luck at winning a prize at euchre.

The Chairman then called on President Harold Bannon for a talk on the year's work of the club. The President said he was pleased to see such a large turnout and went on to say that by

next year maybe we can fill the Hall for this same social evening. He gave the details of today's fur sale of \$2,500.00 and said the Executive was very pleased with it and further with the total of all four sales held here this year; the figure was \$34,700.00. He said the quantity of pelts was down but sales were considerably up, which shows that prices were very good.

Mr. Bill Scott, M.P. for Victoria-Haliburton, was the next speaker. Mr. Scott who is well known by the trappers gave a very interesting talk on the fur industry as a whole and also some interesting facts on the village of Haliburton. He stressed the need for keeping the wolves caught off to protect the deer herd. He also tried his luck at euchre.

Mr. Shields of the Department of Lands and Forests was the last speaker. He brought the trappers up to date on sealing, etc. and said he was only too glad to help any trapper out if he could. He also answered questions on wolves, etc.

Lunch was served to the fifty people attending and at this time the prizes were awarded for euchre and crokinole and the draw for the lucky trappers name was drawn by Miss Darlene Sawyer of Maple Lake. This wound up a wonderful evening and the end of another good season for the trappers.

Investigate Before You Invest

During the past year three advertisements have appeared in this paper which read something like this: "Ladies, Make Money In Your Spare Time Right In Your Own Home".

Such advertising has an appeal to the housewife who would like to increase the family income, but is unable to do so on account of having small children. From what we have been able to learn these people are not interested in providing work, they have something to sell. You will be told that they require people to possibly knit socks or wrap par-

cels, however when they have sold you the yarn or wrapping paper, whichever the case may be, you later find out that your work is not satisfactory or said firm is out of business.

If you should run across Home Help advertising you will find it to your advantage to investigate same thoroughly.

We are presently investigating some advertising material of this nature that we have received, and unless information is speedily forthcoming we will consign such matter to the wastepaper basket.

An Open Letter To R. Glen Hodgson

With the coming of a Provincial Election I suppose the M.P.P.'s will jump on the bandwagon with their fruitless promises. I hear through the grapevine that some road work is going to be started on the south end of Highway 519 near Gelert and Lochlin.

This same project was undertaken just prior to the last election and employed some local citizens for a period of time; till the day after the election. I understand the polls in this area were not quite in favour of the John Roberts administration, so the project and the money was allotted to another area. I presume that it is the road work being done just outside of Haliburton.

I believe if our local Member was to travel to Toronto via way of Highway 519 he certainly would agree that the deplorable condition that exists, has to be one of the worst pieces of road

in the riding.

The continuous plea that the severe increase in provincial taxes are being levied to pay for the new highways that is becoming more increasingly demanded, but it is a crying shame when you have to drive clean out of the riding to get a stretch of road where you can take your car out of second gear.

I believe that our local Member is well aware that the riding of Victoria - Haliburton constitutes one of the 67 seats that is required to form the legislature.

I don't think that it would be too much to ask of our Member that before he gives the election time propaganda, that he assess the condition of this highway and approach the proper authorities for a grant to improve the second largest artery into the Highlands of Haliburton.

William J. Davis,
Lochlin, Ontario.

HALIBURTON NEWS LETTER

The ice went out of Head Lake on Tuesday, April 18. This is four days earlier than last year when the date was April 22.

Haliburton may well be termed as the forgotten village as far as the Department of Tourism and Information is concerned. They have recently published a smart little booklet entitled "Coming Events in Ontario Centennial Edition". There are 330 cities, towns, villages and hamlets listed in this informative little publication, but the village of Haliburton has been left out entirely. Such events as our Rotary Parade, Festival of Colour Steam Train are at least two events that should appear in this booklet. The Rotary Parade has for a number of years now been men-

tioned in this list of coming events. We would like to know why events in this village are not listed in this booklet provided by public funds furnished by the citizens of Ontario which includes us.

Dysart Council met with officials of the C.U.P.E. on Friday last to endeavour to effect a wage settlement with our municipal employees. A wage boost of 18c per hour has been made by council but until the offer is approved by the workers, the matter cannot be considered as settled. We have been given to understand that the employees are prepared to accept the offer.

Fraser Rogers Chosen For New Centennial Travel Programme

Fraser Rogers, the son of Mr. and Mrs. W. A. Rogers of Minden, has been selected to represent Haliburton Highlands Secondary School on a visit to Alberta for two weeks this summer. The Federal and Provincial Governments have a youth Centennial Travel Programme for each province. Eight hundred and forty students are selected from designated schools in each province to visit another province. Fraser is enrolled in Grade XI

of the Five-Year Arts and Science course and he was chosen because of his fine school record. He will meet the other students in Trenton, Ontario on June 28. They will then be transported from Trenton to Alberta.

The Principal, J. Douglas Hodgson stated "Fraser will be a worthy representative for our county and I know that he will bring back much information about Canada that he can share with the rest of us."

Snowdon Council

The regular meeting of the Snowdon Township Council was held on April 10, 1967, with the Reeve and three members of council present.

The minutes of the previous meeting were read and adopted on a motion by R. J. Milburn, seconded by R. J. Vick.

It was moved by R. J. Vick, seconded by Ralph Young that the Clerk write to the Department of Highways regarding the erection of a sign to the Handicraft Centre at Lochlin.

Moved by R. J. Vick, seconded by Ralph Young that the existing members of the Library Board be re-appointed.

Moved by R. J. Vick, seconded by R. J. Milburn that Ralph Young be appointed to determine the type of mower most suitable to the Township.

By-Law No. 4-67 received final reading and was passed, this By-Law is for the erection of stop signs on the South Lake Road, and must be approved by the Department of Transport.

By-Law No. 5-67 setting the rate for 1967 was also passed.

Mr. Norman Maidens of the Ontario Hydro, Minden attended the meeting to acquaint council on the procedure and costs of placing three street lights at Gelert; this will be taken up at the next council meeting when estimates will be available.

The current bills and road accounts were approved for pay-

Centennial Play

A new musical play based on scenes from Canada's history and written by Mr. Wm. Gliddon, will soon be given its premiere performance by pupils of Lakeview School (Grades 6, 7 and 8). The cast consists largely of those students who, last year, gave such a splendid performance of "Oliver".

The new play is entitled "Land of the Silver Birch", and contains many Canadian Folk-Songs, and musical arrangements by Mr. Gliddon who will also be directing his play. The colourful settings and old costumes will add considerable interest to this production.

Anyone willing to lend or help in making costumes, etc. may contact the director, or any student or teacher of Lakeview School.

Although this is classed as an amateur school production, it could be one of the most outstanding centennial successes of any small town in Canada. But it will need plenty of community backing.

Watch for further announcements concerning date, time and admission.

ment.

It was moved by R. J. Vick, seconded by R. J. Milburn that this meeting be adjourned until Monday, May 8th at 8 pm.

Taxation Office Extend Services

The Public Relations Officer, Mr. Bernard M. Hoey, of the Belleville Taxation Office has informed us that his office has extended the public information services this year in order to assist taxpayers with problems in the area of Haliburton, Minden, Carnarvon and Bancroft.

Bank Of Commerce Increases Interest

Canadian Imperial Bank of Commerce will increase the interest it pays on regular savings accounts to 3½% on May 1.

"The new rate will apply to all regular savings accounts with normal chequing privileges presently enjoyed by the Bank's customers," said Mr. L. G. Greenwood, Chief General Manager.

The increase from 3% to 3½% is the first change in the interest rate on regular savings accounts in almost five years.

"This increase has been made possible by revisions in the Bank Act that have eased some of the restrictions that limited the Bank's activities in the past," Mr. Greenwood said.

Recently the Bank announced that it also would introduce a new type of savings account, without chequing privileges, on which depositors will be paid 4% interest.

Ethel Leighton, 80, Celebrates Birthday

A reception was held Sunday, March 5 at the Old Mill Hotel, Toronto to honour the 80th birthday of Mrs. Ethel Leighton (nee Marshall) who was a long time resident of the Orangeville district. Over sixty members of the family gathered from various parts of Ontario to attend.

A candle-light buffet luncheon was served as her family, which included 37 grandchildren and great grandchildren, celebrated the occasion. A family tree especially prepared for this event, dating back as far as the 14th Century, was exhibited and a biographical sketch, tracing the early life around Orangeville of Ethel Leighton was presented.

In attendance along with the family were Mr. and Mrs. Lewis Marshall and Mrs. Frank Island from Orangeville and district. Ellwood Madill, M.P., who has been a life long friend of the family, sent along a message of congratulations.

The family presented a gold bracelet with 37 discs attached, each inscribed with the name and birthday of a grandchild. Mrs. Leighton, who was blessed with 13 children, all still living, attributes her longevity to a life of keeping busy and hard work.

THANK GOD IT'S OVER

We have just gone through the most relentless winter I can remember. Deep snow and deep cold, day after day, month after month. I don't know about you, but it took more out of me than four years of World War II did.

But there are signs that the annual two-day phenomenon known in this country as Spring, is almost upon us, and it is with considerable satisfaction that I look back and sneer at the blizzard on March 21st, laughingly known as the First Day of Spring, and those 15-below temperatures just before Easter. I've made it again.

Like many Canadians, I am in a state of suicidal depression by the middle of March. But those good old signs of spring catch me just before I plummet into the pit, and there I am, forced to give it another whirl.

The signs of Spring in these parts are not quite what they are in some parts of the world, but they're just as welcome. No larks sing, but is there anything sweeter than the first raucous call of a crow? The flowers don't exactly come popping out but those hardy annuals, the picnic tables, rear their brave heads through the snow in the yard.

And there's colour everywhere. Brown mud, yellow grass, green wine bottles on your front lawn, tinned there by your poor soul fighting mid-winter madness. And the lovely off-white of about three tons of sand and salt thrown onto said lawn by the snowplow.

But you'll hear no complaints from me. In fact, I feel so good when I kick off the old galoshes and hang up the overcoat for the last time that I might just burst into song. Here are the words. It might go to the tune of "There's a Tear in My Eye".

There's a hole in my boot,
In my best rubber boot,
But I don't give a hoot
'Cause it's spring.

There's a smell in the air
Like an old she-wolf's lair,
But I don't really care
'Cause it's spring.

There's a squealing of tires,
And the smell of grass fires,

And the poets are liars,
But it's spring.

There are masses of mud,
And my cellar's in flood,
But I know in my blood
That it's spring.

There's romance in the air;
All the boys have long hair,
And the girls have a flair
In the spring.

There are gamboling lambs
And fat Easter hams
And beautiful gams
In the spring.

It's no wonder a guy,
Even an oldie like I,
Gets a look in his eye
In the spring.

A remarkable thing
That you feel like a king
When you get in the swing
Of the spring.

And that will be quite enough
Of that doggerel, thank you. But it's all true, and I hope the longer days, warmer sun and softer winds have cheered you up. Even though that old, cold Receiver-General is lurking just around the corner.

One can't help feeling that the natives' sanity is saved by the signs of spring, such as they are. Three people smiled at me this week, for no reason. Today, a fellow motorist, who would have driven straight at me, snarling, a month ago, stopped and waved me through an intersection, when he had the right of way.

It's not all roses. There's a lot of hard hacking ahead to clean up the estate, which I didn't quite manage last fall. The Old Lady has that wild spring decorating gleam in her eye. And my daughter flunked her Physics exam.

But when I drive past a black, burbling trout stream, and long for Opening Day, or when I see the flags go up at the golf course, I realize that there's still a little steam in the old boiler, and that spring has done it again.

OBITUARY

EDGAR ROGERS

Mr. Edgar Rogers, a well known Minden resident, passed away at the Minden Red Cross Hospital on Tuesday, March 28th, in his 83rd year.

Mr. Rogers was born in Highgate on August 8th, 1884, the son of the late George Rogers and Alida Pomeroy. The following year the family came to Minden to the farm now owned by Mr. Holly Stevens. In March of 1911 he and his brother Mark rented the Minden Mills from S. F. Stinson. There they carried on a lumber business for five years.

In 1916 he married Lila Fraser and shortly afterward bought the Soward General Store where he conducted a thriving business for twenty-five years.

Even while Mr. Rogers was operating his store he found time to take an active part in community affairs as witnessed by the fact that he was Clerk of the Township of Minden from 1911 to 1919, Treasurer of Anson and Hindon until 1945 and Clerk of the Provisional County of Haliburton from 1930 to 1960. He was appointed a Justice of the Peace in 1945 and Clerk of the Division Court in 1946. He showed a keen interest in sports.

Mr. Rogers was known as a Christian gentleman who had convictions and stood by them. Recently a plaque was placed in the Minden United Church in recognition of the fact that he served as Secretary of the Official Board for forty years. He was a member of Arcadia Lodge 440 A.F. & A.M.

The funeral, conducted by Rev. J. Cargo, was held on Friday, March 31st in the Minden United Church. Interment was in the Minden Cemetery.

Mr. Richard Kirkwood, Mr. Mark Vasey, Mr. Harry Cowan, Mr. Jack Eastwood, Mr. Earl Hewitt and Mr. Vinton Loucks acted as pallbearers.

Left to mourn his loss are his wife Lila; two daughters, Evelyn (Mrs. E. Winslow) of Cooksville and Gala of Minden; a son, Allen of Minden; five grandchildren; and two sisters, Mrs. Eldie Stinson and Mrs. Annie Holinshead, both of Toronto.

An Important Message from your
HALIBURTON COUNTY

Tuberculosis and Health Association

The rapid rise in respiratory diseases has prompted the above Association to purchase guages and disposable masks to be used by RD home patients.

These guages are loaned free to the patient. However, the patient is expected to purchase his own oxygen which may be procured from Way's Machine Shop, Haliburton and Prentice Roads, Minden.

The guages and masks are to be issued by prescription from the Doctors and are stored at the Minden and Haliburton Red Cross Loan Cupboards.

This service is made possible through your purchase of Christmas Seals.

1967 Scaling Courses And Other Courses At The Ontario Forest Technical School

Dorset, and places such as Haliburton, Minden, Carnarvon, Bracebridge, Huntsville and Dwight are the practical training area for the 109 men currently attending Ontario Scaling Course No. One at The Ontario Forest Technical School located south of Dorset. So, if you see large groups of men with sticks in hand around the available logs in sawmill yards and similar log dumps don't be alarmed. These are men who are undergoing practical field training in the measurement of wood as the basis for the payment of Crown Dues, etc., in Ontario. These students come from all parts of Ontario. Some are taking this training in order to secure employment as scalers, if successful. Others are already employed and hope to increase their qualifications. This is the last week of the

three week's course and two days of practical and written examinations culminate the course for each student.

On Monday, May 1st, Ontario Scaling Course Two will commence at Huntsville with 66 or more students involved. This again involves men from all parts of Ontario, but in this course most of the students are already employed in forestry operations and are seeking to increase their qualifications. Chaffey Township Hall will be the Course Headquarters.

These Scaling Courses are organized and conducted by The Ontario Forest Technical School under the supervision of Senior Instructor, Mr. George Pennock.

The standards of each course, the setting and conducting of the examinations, and the final recommendation for each candidate is under the aegis of a Board of Examiners appointed by an order-in-council.

For Course One, the Board will be as follows: R. A. Quirt of the City of Toronto, Chairman, R. R. Dixon of the City of Toronto, E. L. Sullivan of the City of North Bay.

For Course Two: E. L. Sullivan of the City of North Bay, Chairman, F. E. Snider of the Town of Pembroke, J. E. Peden of the City of Port Arthur.

The Course Instructors are specially-trained senior forestry personnel, usually Scaling Supervisors, of the Department of Lands and Forests from various Headquarters in the Province, assisted by School Instructors when possible. For Course One, the Chief Instructor is Mr. R. Quirt, Provincial Scaling Auditor from the Parliament Buildings and Mr. F. Thib (Swastika); Mr. J. Butts (Cochrane), Mr. M. Osborne (Sault Ste. Marie), Mr. J. Bingley (Pembroke), Mr. W. Caverley (Tweed), Mr. K. Alexander (Sioux Lookout), Mr. E. Dew (Gogama), Mr. V. Silver (Kapus-kasing), Mr. M. Elliot (Swastika), Mr. E. McVittie (Cochrane).

For Course Two, the Chief Instructor is Mr. E. L. Sullivan, Provincial Scaling Auditor, Sudbury and Mr. A. J. Tracy (Parry Sound), Mr. R. Chornopski (North Bay), Mr. L. Mantle (Chapleau), Mr. W. Everett (Lindsay), Mr. P. Harkema (Geraldton).

During all instruction the official Ontario Manual of Scaling Instructions is used, the text and guide. Weather permitting, approximately half of each course is conducted out-of-doors on log dumps. The remaining time is spent in the classroom.

Concurrent with the Scaling Courses, the following courses are also underway at The Ontario Forest Technical School: Fish and Wildlife Certificate Course; Forest Fire Investigation Course.

The former course involves 26 conservation officers and others from all parts of the Province and the latter includes 36 senior forestry personnel from all parts of the Province.

On April 17th the second term of the 1967 general diploma course with 113 students commenced and on April 24th the Faculty of Forestry, University of Toronto arrives with 82 students and the instructional staff for their five-week field camp.

Letters To Editor

Toronto, Canada
April 14th, 1967.

Dear Editor:

May I take this opportunity, on behalf of the Ontario Society for Crippled Children, to express our most heartfelt gratitude for the splendid publicity received from your newspaper for the 1967 Easter Seal Campaign.

We have every reason to believe that this campaign will be our most productive ever with the rewards to be enjoyed by over 16,000 crippled children in Ontario. May I also say that without the magnificent efforts of our 230 Easter Seal service clubs and countless thousands of other volunteers who are continually helping crippled children, that the finest care and treatment program this Society can provide would not be possible.

Our appreciation is also extended to the many Easter Seal contributors in your area who supported the campaign so well this year.

Yours sincerely,
W. Denis Whitaker, Chairman,
Provincial Easter Seal Committee.

LADIES MISSIONARY GROUP

The Ladies Missionary Group from Gospel Lighthouse have had their monthly fellowship night. Present were nine ladies.

It was requested to sing the hymn "The Lily of the Valley". Mrs. Frank Roberts asked the Lord's blessing. Letters were read by Mrs. Wes Parish. The minutes were read by the Secretary, moved by Mrs. F. Roberts, seconded by Mrs. D. Brown. The message was given by Mrs. J. McCrea of Essonville, the subject was about troubles and worries. Her message was a very good lesson to all and it sure is a pity that there were not more present to hear her wonderful message. The message could be of a great help to many, many others.

The second Thursday of the month at the Church of Full Gospel Lighthouse the Ladies Missionary Group has their monthly gathering at 8 p.m. Everyone is welcome to attend it.

Minor Hockey Paying Off

The success of the teams from the Haliburton Minor Hockey Association in O.M.H.A. playoffs and local tournaments has proven that our minor hockey setup here is starting to pay dividends. A great deal of credit must go to the managers and coaches of these teams and their sponsors, who have given of their time and talents to see that our young boys are given the opportunity to play hockey.

Our success is also due to the fact that we have artificial ice in our arena. The new arena has just been up for two years but the results are starting to show.

Our boys in Haliburton and surrounding area now have the opportunity of getting ice time early in the fall, and by the time that their schedules start they are in top condition.

The Glen Dart Hockey Tournament played at the local arena last Friday night proved once again that artificial ice is the key for good hockey players when teams from Haliburton captured trophies in the four games played.

We doubt very much if the Haliburton Midgets would have reached the All-Ontario Finals if they had been playing on natural ice. Yes, artificial ice and the new arena have been a big asset for the boys in the Municipality of Dysart et al.

Busy Summer Ahead

The summer season will soon be with us. Everyone here in Haliburton County are very optimistic over the prospects of another busy tourist season.

Local building contractors, electricians and plumbers tell us that they have already begun to be busy and most of them are taking on extra help. Money seems to be more plentiful and people are starting to build and buy cottages.

If the weather is right we can look forward to a very busy summer. Real estate here in Haliburton County is moving at a fast pace and this should spell encouragement to everyone.

At the present time the tourist industry is our number one industry and we must do everything we can to promote it. One way you can help is by joining the Haliburton Highlands Chamber of Commerce.

Let's Have An Official Opening

We thought that it was just about time that we brought up the subject of an official opening for the Dysart Community Centre at Haliburton.

The modern new arena has been actually open and in operation for two years. A plaque has been placed in the lobby of the arena telling that it was opened in October 1965. But it seems a shame that we are letting this beautiful building go by without an official opening.

Some local officials told us that they would like to see an opening with an outstanding hockey game, figure skaters and a dance in the auditorium. All these events could go on at the same time. A dinner could also be planned with special dignitaries in attendance.

We sincerely hope that something will be done in this regard before it is too late. In our opinion September of this, our Centennial, year would be a good date for the grand opening.

Letters To The Editor

95 Springhurst Ave.,
Toronto 3, Ont.
April 7th, 1967.

The Haliburton County Echo,
Haliburton, Ontario.

Dear Sir:

We, the undersigned, being two founding members of the Highlands of Haliburton Art Group, are most interested in the letter from Mrs. E. Hobden, that appeared in the March 30th issue of your paper.

In our art group there are many artists. Their work has been exhibited now for the past four years in Carnarvon, and the public have appreciated and supported these shows.

The potential of the young artists in the Haliburton area was shown by those participating in the line drawing competition sponsored by our committee last year.

It is with this in mind, we sincerely say that we do hope a school similar to the Banff School for Fine Arts can be established in the County of Haliburton.

Many Ontario artists, some of whom are summer residents of Haliburton, will welcome this idea too, and will be pleased to participate.

We hope that thought will be given for some financial assistance from the Ontario Government to those students desirous of developing their talent, and further to make available the best teachers for them. Mr. Maddocks, in his official capacity with the Government, will be able to help in this respect.

It is unfortunate that our committee was not informed earlier of the meeting on April 11, 1967, however Mr. Ferguson, chairman of the committee, will be contacting some of the resident members of the Haliburton Art Group and discuss it with them.

The Highlands of Haliburton Art Group will be meeting on May 21, 1967 at the Haliburton High School (Sunday, 2:30 p.m.). Final plans will be made for the art and handcraft exhibit at that time for this year, and we hope that all those interested will feel free to attend.

Yours sincerely,

C. D. Ferguson, Chairman.
Mrs. M. Ferguson.

CHURCH NEWS

GOODERHAM W.M.C.

The W.M.C. of the Gooderham Pentecostal Church held their April meeting in the Church. The meeting was opened by singing hymns, followed by prayer by the President, Mrs. Gloria Billings.

The Scripture Reading was from John 15: 16-19 and Ephesians 1: 4-7. The topic was "I have chosen you". The Mission Study for April was "Gospel Boats".

The Secretary, Mrs. Alyda Dewey, read the minutes of the previous meeting, also some business letters.

Mrs. Pitts read the biography of our foreign missionary in Hong Kong.

Special prayer was read by Mrs. Gladys Hunter and Mrs. Alyda Dewey.

Business was then discussed and stamps were sorted by the ladies.

There were eight ladies in attendance.

RUTH DRYDEN MISSION CIRCLE

Nine members of the Ruth Dryden Mission Circle met at the Lakeside Baptist Church for their April meeting on Tuesday evening, April 11th at 7:30.

With the President, Eva Howe, in the chair the meeting was opened with the singing of the hymn, "When We Walk with the Lord".

The Scripture Reading taken from the first chapter of Genesis, verses 20-28, was read by the President, and followed with prayer.

The minutes were read by Ruby Roberts and adopted as read. Some business was conducted arising from the minutes and letters received were dealt with. A letter was read from Rev. Lewis of Harmony Road Baptist Church, Oshawa thanking the Mission Circle for our promise of a donation to their young people going to Bolivia this summer.

The Roll was called and each member answered with the name of a famous Canadian, and gave also the reason for his fame. Because of this being our Centennial Year, it proved to be most interesting.

The offering was taken with the President giving the offertory prayer.

It was decided Sunshine Cards would be sent this month to two ladies in hospital and one ill at home.

We were informed by Betty Salvatori that Thursday, April 20th was the day for our Group to visit and serve tea at the Highland Crest Home.

The President gave each mem-

ber a slip of paper on which was written the name of a Canadian Province. We were asked to write an article about the geography, rivers, lakes and important cities, etc. for our Centennial Scrapbook.

Mission Highlights were presented by Irene Roberts. Much prayer is needed for our work in Newfoundland, but we are encouraged to hear of some of our young people going to serve a two year term to aid our missionaries on the foreign fields. Irene concluded with a poem, "That's Living".

A prayer session followed, which is perhaps the most important part of our Circle meetings.

The Devotional entitled "Simplicity of Prayer" was read by Ruby Roberts in the absence of Mabel Woodcock. It seemed a very fitting conclusion to our prayer period.

The Mission Study, "Inter Church Relationship" was given by Stella Walker, and a number of interesting things were learned from this part of our Study.

The meeting came to a close with the Mizpah Benediction, and refreshments were served by hostesses Pauline Miller and Mrs. Orr.

MINDEN

Mr. and Mrs. Sandy Gilbert of Lochlin were guests with Mr. and Mrs. Warner Casey on the occasion of her birthday last Sunday.

Glen Dart Hockey Tournament Held On Friday Night

A large crowd turned out at the Haliburton Arena last Friday night for the 15th Annual Glen Dart Hockey Tournament. Four games were played in the Novice, Squirt, Pee Wee and Bantam divisions with Haliburton winning all four games.

In the first game two Haliburton Novice teams played off with the Red Wings blanking the Maple Leafs by a 2-0 score. The first period went scoreless as both teams were unable to score. In the second period Bob English opened the scoring and Dale Keller scored on a pass from Greg Bishop to make it 2-0. Vance English presented the trophy and Joe Iles presented the crests.

In the second game the Haliburton Squirts defeated the Kinmount Squirts by a 6-0 score. In this game Tom Curry came through with two goals, Tim Bain had two and Ernie Bain two. Stuart Wilson presented the trophy to the Captain of the winning team and Rev. John Smith presented the crests.

The Haliburton Pee Wees who

have been a tower of strength all season long defeated the Minden Pee Wees 7-3 in the third game. Haliburton grabbed off a 3-1 lead in the first period with John Wilson scoring twice and Larry Robinson adding one, while Bob Arbuthnot scored for Minden. In the second period Roger Bain and Tim Curry scored for Haliburton while Minden's lone goal was scored by Bob Arbuthnot. The winners added two more in the third period when Larry Scheffee and John Wilson scored, with Bev Hicks counting for Minden. Berkeley Feir presented the trophy and Frank McIntyre presented the crests.

In the final game the Haliburton Bantams won a close 4-2 decision over Kinmount. All the scoring in this game was done in the first period. Gerry McElwain and John Parish each scored two for Haliburton, while Pat Bryant and John Kimble scored for the Kinmount team. The trophy was presented by Mrs. Helen Dart and crests were presented by Roger Dart.

The Glen Dart Tournament Committee would like to take this opportunity to thank all the teams for competing, and also the coaches, managers and referees. Special thanks to the ladies of the community who put on the lunch for the boys.

Cardiff Council

The Municipal Council of the Township of Cardiff met in the Orange Hall, Highland Grove on April 3, 1967, with the following members present: Louis Ruthven, Otwell Todd, Malcolm McGillivray and Edison Lewis.

Moved by Todd, seconded by Lewis that the minutes of the last meeting be adopted as read.

Moved by Todd, seconded by McGillivray that the Clerk answer Glenn Deline's letter stating that the Township road grader has never been on the section of road mentioned in his letter.

Moved by Todd, seconded by Lewis that we hire Ken Andrews as a steady man at the rate of \$1.50 per hr.

Moved by McGillivray, seconded by Todd that we purchase \$500.00 worth of culverts for the year 1967.

Moved by Lewis, seconded by McGillivray that the following accounts be paid: Municipal World Ltd. (subscriptions) \$40.00; J. J. Bronson & Son (Bond) \$20.00; Salvation Army (donation) \$10.00; Principal, North Hastings High School (donation for band trip to Expo 67) \$50.00; Road Voucher No. 3 - \$1,265.00.

Moved by Todd, seconded by Lewis that we adjourn until May 3rd, 1967 at 7:30 p.m. in the Orange Hall, Highland Grove.

When It Seems

When it seems that all is closing in,
And there's no way that you can win,
And there's no one by your side
who you can lean on,
For they have all forsaken you,
left you and gone.
Take five minutes down on your knees, to pray,
Something good will come of it
in some small way.

When suddenly even the ones you love,
have turned against you too,
Try to ask their forgiveness and
start your life anew.
When nothing can cure the pain
that's in your heart,
And your mind is so mixed up
you don't know where to start,
Take five minutes down on your knees to pray,
Something good will come of it
in some small way.

When life brings all its trials
your way,
And your heart is so badly broken,
That hurt seems loves only token,
Take five minutes down on your knees to pray,
Something good will come of it
in some small way.

\$1785.00 Damage In Area Accidents

During the week of April 2 to April 8, 1967 the Minden Detachment of the Ontario Provincial Police patrolled 4,500 miles of provincial and township roads, investigated three property damage accidents, the damage reported to be \$285.00, and one personal injury accident with one person injured and \$1,500.00 damage sustained to the vehicle.

During the same period Haliburton Detachment reported no accidents investigated although 1,025 miles of provincial and township roads were patrolled.

Injured In Crash

LINDSAY (ENS) — A car-truck crash near Omeme about 10:30 a.m. last Tuesday caused damage totalling \$2,000 and sent one person to hospital in Peterborough with minor injuries.

Provincial Police at Lindsay said charges will be laid against one of the drivers as a result of the accident. A car driven by Victor MacBrien of R.R. 2, Minden hit a truck driven by Russell Hicks of R.R. 1, Omeme broadside, flipping the vehicle over.

Mrs. Winnifred Johnson of R.R. 1, Haliburton, passenger in the car, sustained facial and leg cuts and lost several teeth in the accident.

Local Irish Setter Swept The Field

At the annual Kawartha Kennel Club Dog Show held on April 8th at the Peterborough Armouries, a local Irish Setter owned and shown in the Ring by Carole Finn literally swept the field.

Mrs. Finn's Irish Setter, Bealltain, was entered against six other Irish Setter dogs, and won Firsts in all classes which included the Open Male, Open Canadian-Bred Male and the best of the Winners.

Several of the Irish Setters shown were handled by professional trainers.

The Echo would like to congratulate Mrs. Carole Finn on this outstanding performance. Her dog was acquired here, in Haliburton County, from John Ward McGovern, an Irish Setter breeder of Highland Grove.

It is always good publicity for Haliburton County when success such as this returns to the Highlands.

High School Glee Club

The fine Glee Club of Haliburton Highlands Secondary School have recently produced a long-play record which will be on sale shortly. The songs were taped during a four-hour practice and recording session at the High School Auditorium on Saturday, April 8, conducted by Les Smith Recordings Ltd., Toronto.

Side One of the record consists of the songs "Canada, More, Early One Morning, Dear Land of Home, Somewhere My Love, Off to Dublin, and Climb Every Mountain". Side Two consists of "Battle Hymn of the Republic, Strangers in the Night, Wish Me A Rainbow, June Is Busting Out All Over, You'll Never Walk Alone, and Try to Remember".

The Glee Club will be presenting a 40-minute concert at the Hyland Crest Senior Citizens' Home on Wednesday, April 26 at 7 p.m., to which the public is cordially invited.
